Guest Speaker: Joel Williams

Joel Williams is an independent plant and soil health educator and a healthy soils advocate. He has a particular interest in managing soil microbial ecology along with crop and soil nutrition to optimise plant immunity, soil function and soil carbon sequestration. He has recently been working in the UK and Europe and will bring a wealth of knowledge on all things soil related.

Come along on the 19th November to learn about plant and soil interaction.

Tuesday 19th November
Time: 10.00am-3.00pm
Eassie & Nevay Hall, Eassie, Angus DD8 1SQ

Please ensure you book your place by contacting SAC Consulting, by phone (01569 762305), or email (frbsstonehaven@sac.co.uk)
